

INVITATION TO

INTERNATIONAL CONFERENCE

»DRONES IN OUR EVERYDAY«

Conference will be held in Krško on 7th October at 9am in conference hall of Institut of energetics, Urbina 18, 8270 Krško (next to GEN)

International conference is multiplier event of Erasmus+ KA2 project **Making and designing toy drone through multidisciplinary collaborative work - "Drone team"**

THEMES:

Should we buy the drone or should we make it - that is the question!

How to choose proper components and assemble the drone?

When and how are we allowed to use drones in Slovenia?

Apply here:

<https://goo.gl/kzqyYm>

Please confirm your presence till Friday, 29th September 2017 at <https://goo.gl/kzqyYm>

Attendance at the conference is FREE of charge!

Detail agenda will be published on official project website <http://www.droneteamproject.eu>, school website <http://www.sc-krsko.si/> and will be sent by e-mail to all who will apply through the form <https://goo.gl/kzqyYm>.

Greetings from,

Franci Uduč, project manager at Solski center Krško-Sevnica
